

Taking responsibility for your unique possibilities: goal setting for more authentic teaching

Name _____ Email Address _____
(please print)

Instructions: Jot down tentative goals and turn in the sheet when you finish. We will scan it and return it to you by email within a few days. At the end of the semester we'll send it once more as a reminder and an opportunity to adjust or refine your goals.

Consider these questions:

- What do you know about yourself?
- What kind of teacher do you want to become?
- What do you need to do to reach that goal?
